A Right and a Privilege

With a little more than a week to go, campaigns for political offices are in high gear.

The general election for a large array of national, state, and local government offices is Tuesday, November 6.

Exercise your right and privilege as an American citizen on November 6. Get out and vote!

HOLD ON - LEAF AND BRANCH HELP IS ON THE WAY!

Still waiting for those leaves and branches from your yard to be picked up?

Don't worry...help is on the way.

Due to the extraordinarily high number of collection requests this year, it's taking Village crews a little longer to get around the community. Nonetheless, those crews will keep picking up all your leaves and branches. They won't stop until the job is done. And you can be assured they'll be taking care of you with the same high level of service they have in the past.

If your leaves and branches have not yet been picked up, expect a visit from a Village crew sometime tomorrow. A crew or staff member will even come by on Saturday--if necessary--to finish the job.

Have any lingering questions or concerns? Call the Village's Public Works Department at (708) 479-3927.

DUSAK APPOINTED TO SPARC

The Village of Mokena Board of Trustees has ratified Mayor Joe Werner's appointment of Mr. Brian Dusak to fill the civil engineer slot on the Village's Site Plan and

Architectural Review Committee.

Ratification came at the Board's October 22 meeting following Mr. Dusak's formal application for appointment and interviews with both Village staff and Mayor Werner.

Mr. Dusak, a resident of Mokena and a licensed Illinois civil engineer, has been employed professionally with Chicago-based Engineering Resource Associates for the past ten years.

THE CANDYKIDS COMETH...

They'll be emerging soon.

And they'll blanket your neighborhood like a swarm of locusts.

To facilitate the safety of our community's children, please be reminded that Trick or Treat hours in Mokena run from 3 p.m. to 7 p.m. Wednesday, October 31. The better visibility afforded by these late afternoon/early evening hours lessens the risk of a tragic accident occurring while kids in search of sweet plunder are out on the streets.

Look out for others as you're out and about town enjoying Wednesday's activities.

Happy Halloween!
