Early Voting at Village Hall

Mokena residents can cast their votes early for the November 3rd General Election at the Village Hall October 19 through October 30, Monday through Friday, from 8:30 a.m. to 4:00 p.m.

As this election season arrives amid the ongoing COVID-19 pandemic, Village staff and election officials will be employing safety protocols for voters wishing to cast their ballots in-person during the early voting period at Village Hall.

Village staff and election officials will continue to wear masks and wash/sanitize hands regularly. Enhanced signage will be displayed throughout the building to assist with direction and maintaining proper social distancing. Pens will be available to the voter to keep or dispose of upon exiting. Hand sanitizer and hand sanitizing stations will be located throughout the building. Voting booths and commonly used surfaces will be disinfected regularly and at the close of each day.

If the Village Hall becomes overly crowded in the normal course of business and/or a significant amount of voters are in the building, voters may be politely asked to wait outside so as to maintain proper social distancing and safety protocols.

Whether you are a first-time or an experienced voter, we look forward to providing you with a safe and secure voting experience this election season.
